

Avalon Shutters

Avalon Shutters, Inc. is the nation's leading manufacturer of custom natural wood shutters. Founded in 1986, Avalon Shutters, Inc. has continued a tradition of quality craftsmanship and installation to ensure the customer a custom fit that will provide a lifetime of beauty and function. They take pride in using only the finest basswood and materials, hand selected and milled on site for superior quality control.

Their specialty trained in Home design consultants measure your home at your convenience and their Customer Service Department sets up the install date in the same manner. They have in-house bonded and insured professionals. From measure through installation, Avalon Shutters is committed to your satisfaction.

With over 20 years of experience, Avalon offers these answers to a few of the most frequently asked questions:

- Avalon Shutters separates itself from the competition by offering wood shutters made from the finest quality materials using state of the art design and manufacturing processes.

- Avalon's poly shutters are manufactured from solid core PVC composite. Poly shutters are best suited for areas that are prone to water exposure.

- Avalon's specialty shutters are designed for doors and window openings that are not rectangular in shape. Avalon is able to custom design specialty shutters for any shaped window

- Avalon Shutters has a 28 day installation guarantee.

- Avalon now offers all types of window coverings for homeowners including: blinds, shades, woven's, and verticals with the same in-home consultation offered for shutters.
