

Summer Concerts in Orange County

Ah, summer. How we love the relaxing days of summer. It's the time of the year that children daydream about all school year and parents strive to find ways to keep their children busy. Although theme parks and movie theatres are exciting and entertaining, they can be a drain on the bank account. Besides they are not the only way to entertain on those warm, lazy days of summer.

Most communities offer an alternative – concerts in the park. San Clemente takes us to the coastal sand for their concerts while Dana Point brings us the bluffs with gorgeous ocean views. Rancho Santa Margarita calls us to picnic in the park and San Juan Capistrano entertains us just a block from the Mission. Best of all, this time with family and friends is free. Bring a blanket or chairs and a willingness to enjoy music which may vary from the 60's, disco, country, or good ol' rock and roll. Besides the fun at summer concerts, most communities also offer great family activities on Memorial Day, July 4th, and Labor Day. How wonderful to enjoy activities right in your own backyard!
