

Image Makers

Image Makers has been perfecting the process of high end custom painting in South Orange County since 1988. Creating a thriving partnership with their clients while building trust and respect is their key to success.

They pledge to attain a high level of professionalism from start to finish. Image Makers commits to earning their clients' trust. All job sites are fully insured and properly licensed. Their tradesmen and contractors are both professional and highly skilled. Continuing education as well as weekly safety meetings ensure that the work environment — your property — is always a safe place.

Their services include:

Interior and Exterior Painting

Crown/Base Molding

Custom Cabinetry including kitchen, bath, office, entertainment centers, and built ins

Kitchen Remodels

More specifically, their custom painting service for residential and commercial properties includes services such as interior and exterior painting, faux painting, cabinetry stain & glaze, popcorn removal, texture, crown & base molding. Further, their craftsmen are skilled in building with all types of material including specified woods, laminates, glass, stone, marble, and special composite materials. They custom fabricate many of the large components and subassemblies in their shop. This guarantees exacting specifications, and quick installation at your location.

With Image Makers Painting & Custom Cabinetry's deep experience and vast knowledge of the industry, your project will be completed timely and within budget. Image Makers can be trusted to do what they say. They pride themselves on the fact that the mainstay of their business is satisfied repeat clients and referrals. When looking for a company to transform your home, Image Makers has the team ready for your project! They are the professionals who are ready to serve your remodeling and painting needs.
